

CR 18

- Extremely sharp, carbon-coated and corrosion-resistant snap-off blades for smooth cutting
- Robust metal blade guide for heavy-duty work
- Carbon coating reduces the attachment of residues from adhesives, adhesive tape or paint
- Convenient automatic blade lock
- Ergonomic design and non-slip thumb-rest
- Each blade has 7 snap-off segments for 8 uses
- Quick blade replacement – no additional tools required
- Blade length easily adjustable
- Practical fitted loop
- 5 blades included with delivery

This sturdy snap-off knife with extremely sharp, carbon-coated and corrosion-resistant snap-off blades is perfect for precise cuts. The ergonomic design, practical loop, automatic blade lock and non-slip thumb-rest, make this a very easy to use tool. The length of the blade can be easily adjusted. No additional tools are required to change the blade. The knife is provided with five blades.
